Dear Parents & Carers,

We are all greatly looking forward to Friday (22nd October) as this marks the return to onsite learning for all students. There are still a number of COVID-19 safe practices that we will need to continue to implement in line with DET requirements:

- Face masks to be worn for students in Grades 3 to 6.
- Students in Grades F to 2 are encouraged to wear face masks.
- Limit visitors to school site.
- Parents to drop off/pick up from the front gate.
- Promote good hygiene practices – hand washing and sanitise.

Our senior students have adapted well to wearing a mask whilst in class. We will be guided by the Chief Health Officer and DET as to the timeline of the COVID-19 safe implementations.

Whilst the COVID-19 safe requirements for students can be challenging, having students back at school is a huge win. I look forward to all of the remaining weeks of Term 4 to be fully onsite for all students.

Kind Regards,

Colin Robson,
Principal
