Lunch orders

Please bring straight to school

Can all lunch orders please be brought straight to school, in an envelope for each child.

Friday is a very busy day for the bakery & it would assist Melinda if we can keep all student orders separate, so she can easily place the lunches in the correct grade tubs.

Thanks for your assistance.

Dear Parents and Carers,

The ongoing lockdown is certainly presenting a range of challenges for all of us. The greater the support and understanding we can give one another at this difficult time is much needed and appreciated.

Our Staff remain focused on delivering the best remote learning package available and continue to offer and assistance required. We are always a phone call / dojo message away.

Please keep a daily watch on the school Class Dojo site as this is our primary source of communication.

Presently the remote learning packs are available for collection. The yare located in the hallway outside the office area. All children need to be working through the assigned learning tasks and uploading their completed works on Class Dojo.

We remain hopeful that the presently identified end date of this lockdown is achieved and schools are operating on site again as of Wednesday 25th July.

Stay Safe

Kind Regards,

Colin Robson
